

CONFIRMATION

Herewith we confirm that during manufacturing of Datamars products, we do not intentionally use or add any hazardous substances including lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBBs) and polybrominated diphenyl ethers (PBDEs) listed in the Annex of Directive 2002/95/EC (RoHS).

Moreover, Datamars is committed in preserving the environment and lastingness of its products deciding to adapt and to replace them in order to contribute to the protection of human and environment health.

Throughout its products, activities and services, Datamars will endeavour to minimise any adverse impact on the environment by means of pollution prevention, energy and water conservation.

Bedano, January 2008

Dr. Klaus Ackerstaff
CEO

Mauro Nicola
Director of Production

This information is given to you in good faith to the best of our current reasonable knowledge, taking into consideration current status of technology as generally applied in the industry and assuming that you will use our Datamars products for industrial purposes only. It does not constitute any guarantee or warranty which are expressly disclaimed herewith. Under no circumstances shall Datamars or any of its affiliates be liable for any consequential, incidental or special damages or loss of profit incurred by you, regardless of whether the possibility of such damages or loss was disclosed to or reasonably foreseeable by you.
