For our international Group, we are searching an experienced

CHIEF FINANCIAL OFFICER (CFO)

to complete our top management team of the global group based in Lugano, Switzerland.

KEY RESPONSIBILITIES

She or he will report directly to the Chief Executive Officer, and will be responsible for Group Finance, IT and HR. The CFO will be leading a local team of accounting/controlling experts and will coordinate all finance related activities for the international subsidiaries, in this role she/he will have local finance directors of subsidiaries functionally reporting into her/him. The CFO is part of the top management team and will be responsible for internal reporting as well as reporting to the board of directors and will manage banking relationships. In addition, the CFO will manage IT as well as ERP and all finance related systems. The CFO will be involved in the integration of acquisitions and the development and maintenance of adequate consolidation and reporting systems for a fast-growing international company.

The CFO is responsible for financial planning and will coordinate budgeting on a group level for all business units. Similarly, the CFO manages the group wide auditing and is responsible for compliance. The CFO will work closely with the COO on production accounting and standard cost accounting in production across all manufacturing units.

REQUIREMENTS

The person needs to have:

- Master's Degree in Business Administration, Finance or related field,
- 5+ years' experience in finance management in a management/leadership role in a global international context,
- Experience in reporting and controlling in an international environment,
- Multi-currency and -subsidiary consolidation
- Experience with financial reporting, consolidation, accounting and planning tools (ERP/MRP, preferable SAP)
- Experience in a manufacturing environment across continents
- Ability to lead, train and mentor employees on a personal level
- Languages: English (level C1 or higher) is a Must; any other language (e.g. Spanish...) is considered an advantage
- worked in foreign countries, across various cultures

DATAMARS
